

Income Disclaimer

Practicality dictates that everyone's results will vary as we are all unique and different. Basically, it takes hard work to make a substantial income in this business. Some people will make no money at all. The earnings of a WOR(l)D global network partner will be 100% dependent upon their skills, work effort, commitment, leadership capabilities, and market conditions. Common sense would suggest that in most opportunities, one would find exceptional individuals performing well above average, while others perform under the average. WOR(l)D Global Network does not guarantee any level of income or your success. The average participant in WOR(l)D global network earns less than \$500 per year. This does not account for any business expenses that one might incur while building the business.

4 STEP FAST START PLAN:

STEP 1: Share the 2 Minute Video

STEP 1: Share the 2 Minute Video

This may be the most fun part of going TD!

- In your **1st 24 hours** (as in **TODAY**) you are going to make a list of names, and share the 2 minute video with a minimum of 24 people. 12 of your closest friends and family, and 12 people who are business minded or have mlm experience. 75 to 100 people in 48 to 72 hours.
- You will contact via Text, phone call, or social media. You can use our **scripts** as a framework, and the key is to simply be yourself.
- You may also choose to use your **Helo.Life** app on your phone, which provides notification and tracking when they click the link in your text, and also has pre-written text messages that you can choose to use.
- You may also find additional scripts in the private Facebook groups with your upline leadership.

4 STEP FAST START PLAN:

STEP 1: Share the 2 Minute Video

STEP 1: Take Massive Action on Day 1

Example text messages **THAT WORK!**

To a friend, who likes to make money:

- Hi John, put your eyes on this wearable technology from a business perspective. I'm warning you in advance, you may lose sleep once you watch this 2 minute video.
- Hi Mary, have you seen this new wearable technology on the news? Game changer. Put your business hat on and check out this 2 min video.

To a friend, product focused text:

- Joe, you gotta see this 2 minute video, wait until you see what this wearable device does...
- Brenda check this out! Quick 2 min video. I saw this on the Today show after I had already bought mine. Amazing technology...

4 STEP FAST START PLAN:

STEP 1: Share the 2 Minute Video

STEP 1: Share the 2 Minute Video

IMPORTANT TIPS FOR STEP 1

- Because the goal is **TD FAST**, you want to contact your entire list **FAST! BE SURE** to include business minded entrepreneurs and people who are money motivated. In fact, on this list, the more of those contacts you have the better.
- Knock out your texts, calls, or social media messages in one sitting if possible. Remember– the goal is **TD FAST!**
- **REMEMBER THAT CONNECTING IS KEY!** So know your position with your prospect, and connect accordingly.

STEP 1: Share the 2 Minute Video

POST ON FACEBOOK

- You may have seen this device on the Today show recently, but I want to make sure all my friends see the 2 minute video. This is the most important wellness band I've seen for my family and I, and after my friend shared this same video with me, I had to get it. Wait until you see what all it does to monitor you and your loved ones!

Another really cool perk is that every customer can get paid for referring others. I would share this with everyone whether I got paid a referral bonus or not, but hey, I'll take it! Check out the 2 minute video,

4 STEP FAST START PLAN:

STEP 2: Simple Follow Up

STEP 2: Simple Follow Up

This is the #1 reason I love having a tracking system for the videos. Now there's a real good chance some of your contacts will actually message you back. But either way your follow up is the key.

“I saw that you checked out the video I sent you, What did you like most about the Helo?” (They'll answer and connect to their answer)

“(their name) I'd love to send you more information so you can really see the big picture. Would you like more information on the product, more information on how you can make money with this, or would you like information on both?”

4 STEP FAST START PLAN:

STEP 2: Follow Up

STEP 2: Simple Follow Up

If they say they want information on the **PRODUCT ONLY???** You send them the **7 minute video**.

If they say money, or they say both, you will send them to the **7 minute video** as well as a **webinar**.

There are **2 options** for this. The free site, www.helo.life has the **7 minute video** and the webinar both on the main page. If you prefer to have tracking and be able to send them a direct link to your own personal **helo.life** page, or send them a direct link through the **helo.life** app, that option is available too. The tracking sends you instant notifications anytime your prospect clicks the link, and also tells you what videos and how many minutes of the videos they've watched. The personalized **Helo.Life** system also links directly to your **Worldgn.com** site so they can click **BUY NOW** and be taken directly to your store. There are also many live webinars happening, so check with your teams **FB Group** to find out when.

4 STEP FAST START PLAN:

STEP 2: Follow Up

STEP 2: Hyper Speed Launch Option:

This option is not for everyone, but for those that have the influence and credibility to execute this play, it's without a doubt the fast way to start your business.

Instead of inviting them to view the presentation on your site, you will schedule a Private Launch Webinar with either your sponsor or one of the leaders in your upline support team.

This is for those who say I absolutely can get 10 or more people on a private webinar. It's very important that they see the 2 minute video and the 7 minute video prior to the webinar.

You will host this Launch Webinar and introduce the guest presenter. Often times in 1 night we have 10 to 20 people enroll.

A top-down view of a baseball field with a green grass infield and brown dirt base paths. The bases are marked with white lines. The pitcher's mound is in the center. The text is overlaid on the field in various positions: 'Follow up and Enroll' is at the top center; 'Lead Alert' appears twice, once on the right side of the infield and once on the right side of the base path; 'Follow Up Question 7 Min & Webinar' is on the right side of the infield; and 'Invite Your List to See the 2 Min Video' is at the bottom center, near home plate.

4 STEP FAST START PLAN:

STEP 3: Enroll Them

STEP 3: Enroll Them

In very rare instances, typically with a person with **very high influence** or a leader who has had big success in network marketing, they will request to speak with a leader in your upline support team.

But other than those occasions, a person who has seen the **2 minute, 7 minute, and a full presentation** has all the information they need to make a decision. **REMEMBER** – this is an easy **yes or no** decision, so be careful not to waste energy on resistance or with people who aren't ready to say yes. **YOU ARE LOOKING FOR ACTION TAKERS**, not people who hesitate on their dreams.

We see that a very large majority of people are ready to enroll after the webinar. This is another reason why we like the tracking systems, it let's you know that your prospect is watching the webinar so you can be ready to follow up while they are hot!

4 STEP FAST START PLAN:

STEP 3: Enroll Them

STEP 3: Enroll Them

Collecting their decision after a presentation

When I receive a notification that someone is on the presentation, or if I know ahead of time that they are attending a live webinar, I will text them to set up a call immediately after and say something simple like

“Let’s connect right after the presentation”.

Once you’re on the phone after the webinar:

“John what were the highlights for you from the presentation?” (they answer, take time to connect and agree with their answers. And the more answers the better, so you can ask after connecting **“That’s 1 of the things I love too. Anything else?”**

“So now that you’ve seen the information, do you see yourself getting started as just a customer, or do you see yourself getting paid to be a customer and sharing this with others?”

STEP 4: Get Them to This Video

Moving them forward immediately.

Once they say yes, they accept your invitation, the next step is always **FORWARD MOVEMENT**. Let them know **2 things**. #1, once they are officially enrolled you will add them to the **team FB group** (be sure to do a welcome post with their picture and tag them). #2, the very next step the **MOMENT** they enroll is for them to **WATCH THIS GETTING STARTED VIDEO IMMEDIATELY**.

The #1 thing for us to focus on is that video, and following it step by step. It’ll show you how to earn \$1000 or more this week, and another \$5k very fast.
